Spain

Málaga, Spain

A bustling coastal city and the capital of Costa del Sol, Málaga is the second largest port in Spain. One of the most interesting places to explore is the old historic quarter, which dates back nearly 800 years. The birthplace of Pablo Picasso, Málaga boasts miles of beautiful beaches, picturesque gardens and fantastic weather.

Funchal, Madeira

The island of Madeira is located in the Atlantic Ocean about 370 miles off the coast of Morocco. For over 100 years tourists have enjoyed its rugged volcanic peaks, beautiful tropical coastline and a climate that's never too hot or cold. Madeira lace and Madeira wine are both still produced here in the Old World tradition. Many hidden valleys, peaks and botanical gardens are just waiting to be explored.

Lanzarote, Canary Islands

With its landscapes filled with beaches and more than 300 volcanoes, plus perfect weather all year round, you'll quickly see why Lanzarote is an award-winning tourist destination. The island's dedication to the environment and tourism has even resulted in recognition from the World Tourism Organization as a universal model of sustainable development. In addition, the island has gone to considerable lengths to preserve its own history, culture and heritage.

Tenerife, Canary Islands

The largest of the Canary Archipelago, the island of Tenerife consists of many different regions - each with its own characteristics. There are mountains, lush valleys, a gigantic crater (which is now a national park) and, of course, fabulous beaches. If the beautiful landscapes don't bring a smile to your face, the weather certainly will.

Philipsburg, St Maarten

When the Spanish closed their colonial fort on St. Maarten in 1648, a few Dutch and French soldiers hid on the island and decided to share it. Soon after, the Netherlands and France signed a formal agreement to split St. Maarten in half, as it is today. Philipsburg displays its Dutch heritage in its architecture and landscaping. The island offers endless stretches of beach, beautiful landscapes and great shopping.

San Juan Puerto Rico

One of the largest islands in the Eastern Caribbean, Puerto Rico's landscape encompasses mountains, underground caves, coral reefs, white-sand beaches and an incredibly massive rain forest that supplies fresh water to most of the island. At the same time San Juan, the capital of the commonwealth, is a big city with a bustling business district, glitzy resorts and casinos, as well as one of the most stunning examples of colonial life in the Western world.
